Subject: tetracycline DER revised
Attachments: 50889415-Environmental Exposure to Tetracyclines-OX5034-DER-3.9.20.docx

Hi Chris,

Here is the revised DER which incorporates both yours as well as Amanda's comments, for final review. Once this DER is ready to sign, I'll send an email with the entire lot of DERs attached for signing since the rest are all squared away and ready to go. Or if there are any others that you'd like to see again prior to signing, let me know. It seemed like the rest had pretty minor revisions.

Thanks and let me know if you have any questions,

Cassie
